March 13, 8AM - Green Wealth Management Office in Wayzata

INVESTING IN REAL ESTATE CALLS FOR CAREFUL CONSIDERATION AND RELIABLE PROFESSIONAL GUIDANCE.

Whether you're seeking a new home, a second home, a dream home, an investment property or helping your children, understanding the market and having a plan are important.

Join Erin Cook of Compass, and me, **Sean Wenham**, to discuss the journey for making a thoughtful investment in real estate at our monthly Friday morning Understanding Wealth education series gathering.
